My friend William is one of those who believes in ancient myths. He has recently bought a new house in the city, but ever since he moved in, he has had trouble with car owners. When he returns home from work, he always finds someone parked a car outside his main gate. As a result, he has not been able to get his own car into his garage even once. William has put up 'No Parking' signs outside his gate, but these have not helped at all. Now he has placed an ugly stone head over the gate. It is one of the ugliest faces I have ever seen. I asked him what it was and he told me that it was Medusa, the Gorgon. William hopes that she will turn car owners to stone, but none of them has been turned to stone yet!
